## MEMORANDUM

To: Utah State Building Board  
From: David G. Buxton   
Date: April 8, 2009  
Subject: **Reallocation of FY 2009 Capital Improvement Funds for the College of Eastern Utah**

---

### Recommendation

DFCM recommends that the Building Board review the request from College of Eastern Utah to reallocate FY 2009 Capital Improvement funds to an FY 2010 Capital Improvement project.

### Background

The Building Board approved the Art Center Re-roofing project for the FY 2009 which was subsequently put on hold during the Special Legislative session in September 2008. Since that time, problems with the Music Building steam lines have been discovered. CEU and DFCM agree that these steam lines are a top priority for FY 2010. DFCM recommends that funding for the Art Center Roofing project be transferred to the FY 2010 Music Building Steam Line Repair project.
